Company obtained personal information will be used in the following ways in order to exemplify and simplify communication and service for our customers and distributors. Please read and understand the following.

1. Your personal information will be utilized to enable the company and or its partner companies to facilitate and expedite the shipping of your products. It is also used in order to update Distributorship information and keep you up to date on your status. It is also used for filing purposes within the company. We provide after care information such as new product introductions, President seminar dates, business orientations, and other special events with the information that you have given.
2. We also use this information in order to contact distributors and to further our product development. This enables the company to use the survey as a part of our research and development.
3. To keep a record of individual Distributors to provide for better service.
4. Introduction to newer equipment and supplies that may affect you for the better. To introduce other partner companies that may help you in your business.
5. Used to expedite shipping services and given to out sourced shippers to quickly send your ordered product.
6. In order to send our distributors their hard earned commission.
7. To gather required information to give to the financing institution that will be handling your order.
8. To better help the company and its partners to provide better service.
9. In order to help the specific groups maintain a high morale and to be able to help each other promote a better business.
10. In order to update the information on the W-9 in order to send an accurate 1099 for tax purposes.

Anybody who has and will join our company as a customer or as a distributor must agree to these uses of personal information outlined above.
