 New Distributors registered after September 4 qualify.
 New Distributors who earned a bonus can then participate as a Direct Sponsor.

• How to qualify for the Bonus AND ALSO receive commission for Ukon Sales.

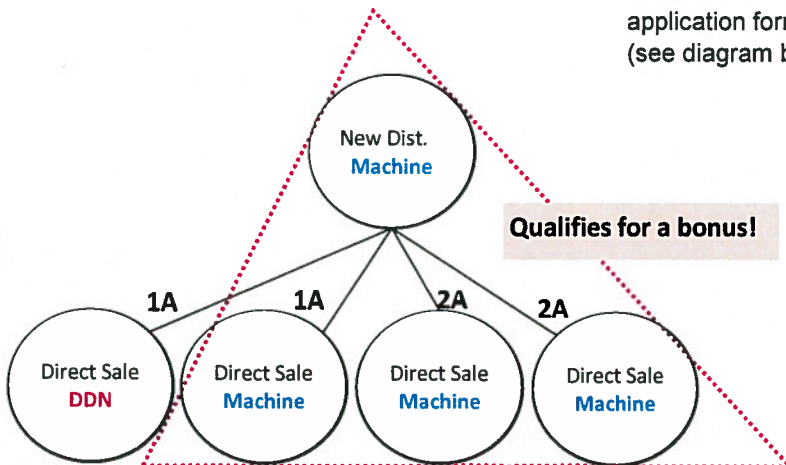

New distributors via machine purchases can qualify for a bonus with 3 direct Ukon sales within 1-4 weeks. They can also receive commission for those and other Ukon sales by first purchasing UkonDD or UkonΣ New for themselves.

In other words, as long as a New Distributor has 3 direct sales that are not self purchases within 1-4 weeks of their initial registration, they qualify to submit the bonus application form.

• New Distributors with 4 or more direct sales within the limited time period

New Distributors with 4 or more direct sales, for example, with a DDN and 3 machine sales, can submit a bonus application form and apply for the category of their choice*. (see diagram below)

*Direct sales must be applicable to the category you apply for.
