Flower of a Long and Happy Life
words by Hironari Ohshiro

LeveLuk was born from Enagic®
Kangen Water® was born from LeveLuk
Hundred and twenty years of life
by drinking Kangen Water®
Let's make "the flower of compassion" bloom

In order to achieve true health
Hundred and twenty years of life
By spreading the message of compassion to every one
Let's make "the flower of heart" bloom

If 50s and 60s are buds beginning to flower
Then the 70s and 80s are flowers in bloom
Your life becomes hundred and twenty years
Let's make "the flower of a long and happy life" bloom
