The world is changing and we have entered the age of "human technology marketing." As an integrated development, manufacturing, sales and service company of alkaline ionizer technology, we combine Hi-Tech with Hi-Touch. Market vitality now depends upon a merging of high technology and the personal relationship between human beings. NOVEMBER...DID YOU KNOW?

Did you know that November is National Inspirational Role Models Month? Back in 2005 the month of November received this distinction. Since being both an inspiration and a role model to others is such an important part of the Enagic business, we thought it would be nice to share this information. This month reach out and thank those who have inspired you or served as your role model. And beyond thanking others, take a moment and really consider who YOU are inspiring and who looks to YOU as a role model! See if you can do that little bit extra this month to inspire someone else to want to do and achieve great things!

END OF THE YEAR MOMENTUM!

If you have been using the excitement and momentum created from the Enagic 2016 Global Convention to build your business, then keeping that excitement going to end out the year strong should be pretty easy. Remember, the Convention was put on as a way to allow Enagic distributors from all over the world to connect with each other, exchange ideas and business strategies and to set into motion the momentum needed to end the year strong!

It is important that distributors use the power and excitement of the Convention to continue to build momentum. If you were there, then you know the energy that was in the room when 4,000+ excited distributors spent two full days celebrating Enagic and Kangen Water. Let that energy continue to surge through you and let it motivate you to keep sharing and working!

Schedule as many meetings and one-on-one's as you can. Remember, YOU attended the biggest, most powerful event in the history of this company, so you need to let the excitement, energy and momentum of the event carry you through the end of the year. Put the pedal to the metal and commit to an All Out Massive Action (A.O.M.A.) Plan. Keep implementing things you learned at the trainings. Put into action things you learned by speaking with other distributors. In short, don't let the momentum of the event fizzle!! Keeping the energy alive is up to you...keep it alive by taking action RIGHT NOW!!

Take the next 60 days and really focus. We are in the 4th Quarter and entering the holiday season. The time to put your efforts into overdrive is RIGHT NOW!! Gather your team members, talk about your year end goals and make a solid game plan of how you will work together to make the rest of 2016 and the start of 2017 absolutely incredible!

KEEPING HEALTHY & HAPPY

At this time of year it is essential that we take care of our immune system, as many of us will be exposed to a variety of seasonal issues, like colds or the flu. We will be seeing more people and going to more public places, like the mall to do seasonal shopping, so start preparing now to fend off these holiday bugs. The immune system is unlike any other system within our bodies with a complex interaction between several glands, proteins, tissues, chemical compounds, hormones and gut bacteria. These interactions are all involved to help achieve optimal immunity and in its simplistic form, the immune system comprises specialized white blood cells, which learn what belongs to the body and what does not. Dehydration can be a major contributing factor to a compromised immune system, so be sure to drink enough Kangen Water every day. The role of the immune system is to protect the body against many pathogenic bacteria and viruses on an ongoing basis. Any organism that attacks our system will cause infection and disease; it is the optimal working of the immune system that helps destroy these organisms in order to prevent any further damage and infection. In order to keep your immune system in top working condition, drink plenty of Kangen Water, but also consider increasing the number of UKON supplements you are taking each day. If you are taking 3 capsules per day, increase it to five; if you are taking five, increase it to eight. By increasing the number of capsules you take each day you are giving your immune system an extra boost, helping keep you healthy and happy!

GRATITUDE & GIVING THANKS

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.”

John Fitzgerald Kennedy, U.S. President

TECH TALK

In the America, November represents the beginning of the holiday cooking season, a time when culinary professionals, amateurs and everyone else in between, will head to the kitchen to try to create the most delicious and memorable holiday dishes. The 2.5 pH Strong Acidic Water and the 11.5 pH Strong Kangen Water are excellent choices to help keep a clean and chemical free kitchen while these epicurean delights are being prepared. The 2.5 pH Strong Acidic Water has disinfecting properties and can be used to sanitize kitchen utensils, cutting boards and to clean and disinfect in and around the entire kitchen. The 11.5 pH Strong Kangen Water can be used for cleaning and food preparation. It will remove rawness from vegetables, such as green onions, and is great for cleaning oil and tough grime from vents, as well as for general cleaning in the kitchen.

COOKING WITH KANGEN

Simply Delicious Thanksgiving Stuffing

Ingredients:

- 1 8 – 12 oz bag / box unseasoned stuffing bread (Cornbread, Sourdough, Gluten-Free, etc.)
- 1 tbsp. olive oil & 2 tbsp unsalted butter
- 2 medium carrots, diced
- 2 medium stalks celery, diced
- 1 medium onion, diced
- ½ c. fresh parsley leaves
- ¾ tsp. poultry seasoning
- salt and pepper
- 1 large egg, beaten
- 1½ c. chicken or vegetable broth
- 1 c. Kangen Water 9.5

Directions:

Preheat oven to 325 degrees. Clean all of the fresh produce with 11.5 pH Strong Kangen Water, then with 2.5 pH Strong Acidic Water, followed by a 9.5 pH Kangen Water rinse. Grease shallow 3 1/2-quart baking dish; set aside. In a 12-inch nonstick skillet, heat oil on medium 1 minute. Add carrots, celery, and onion, and cook about 12 minutes or until vegetables are tender and lightly browned, stirring occasionally. Remove skillet from heat; stir in butter, parsley, poultry seasoning, 1/2 teaspoon salt, and 1/4 teaspoon freshly ground black pepper. Place bread into a very large bowl. Add broth, Kangen Water, egg and the vegetable mixture to bread in bowl; mix until liquid is absorbed. If mixture seems dry, add more Kangen Water. Spoon stuffing into baking dish. RANK ADVANCEMENT

In addition to providing Enagic Distributors with information and resources to help them succeed, the Executive E-Newsletter will also serve as a way for us to recognize the outstanding achievements and rank advancements of our valued Independent Distributors. While we would like to be able to recognize each person who has advanced in rank by name, the sheer volume of new distributors advancing in rank makes it impossible. Instead, we will recognize each person that advances to the rank of 6A and above by name in this section of the newsletter. We are extremely grateful and very proud of the achievement of each person listed below and we encourage every distributor to work hard to achieve the rank of 6A and above so that your name may be proudly displayed with those that are moving up the ranks in the Enagic business.
